

ELDAR MIPS

Mips

MTB | Playground

The MET Eldar Mips has been designed for young riders who are fearless and skilled. A high quality helmet for those who aspire to ride the Enduro World Series one day.

With extended coverage of the head it is the ultimate protection for those who dare to do more.

Featuring the MIPS-C2® brain protection system, the Eldar is able to slide relative to the head in the case of a crash, redirecting damaging rotational motion.

FEATURES

- In-mould polycarbonate shell with EPS liner
- Extended head coverage for deeper head protection
- MIPS-C2® rotational management system to increase protection against certain impacts
- Exceptionally comfortable and secure on the head thanks to refined internal shape
- 14 Vents, Internal engineered air channeling to improve ventilation and comfort
- MET Safe-T Twist 2 Fit System
- 360° head belt to avoid pressure points on the head
- Straps with adjustable dividers ensure an individual fit
- Reflective rear decal to enhance visibility
- Hand washable comfort pads
